

ATLANTIS PHILIPPINES DIVING ADVENTURE April 21ST - 30TH, 2017

ATLANTIS DUMAGUETE RESORT (5 NIGHTS)

Atlantis Dumaguete is located in Dauin on Negros Island, the third largest island in the Philippines. This island is believed to have once been part of the island of Mindanao, but was cut off either by continental drift or the rising waters at the end of the ice age.

Dauin has established several sanctuaries, and just one reason for the stunning marine biodiversity exhibited here within which fishing and boating is absolutely prohibited. This includes sites such as Mainit, Luca, Dauin and Masaplod. These sites are well preserved and offer a huge variety and quantity of life forms; Blue ringed octopus, Wonderpus, Mimic octopus, Poison ocellate octopus, Ambon scorpionfish, Flamboyant cuttlefish, Bobbit worms and a wide variety of Nudibranchs are frequent sights.

Just a thirty minute drive from the local airport, on a long peaceful stretch of beach, lies the lush and luxurious Atlantis Dive Resort – Dumaguete.

Surrounded by an amazing tropical garden with some of the rarest plants to be found in the Philippines, it is just a short trip to some of the most renowned dive sites in Asia – Apo Island, Siquijor, and of course the local Dauin Marine Sanctuaries.

While better known as Atlantis Dumaguete, the capital, principal seaport and largest city of the province, we are actually a part of the municipality of Dauin (pronounced Da-win), the epicenter of Dumaguete's dive scene.

ATLANTIS PUERTO GALERA RESORT (4 NIGHTS)

Puerto Galera is well known for its numerous scuba diving spots. The area was designated a Man and Biosphere Reserve of UNESCO in 1973 and has some of the most diverse coral reef diving in Asia located at the very heart of the 'Coral Triangle'. The area also features numerous pocket beaches and stunning tropical scenery.

Atlantis Puerto Galera is beautifully built into the hills of Sabang Beach, Puerto Galera with a beautiful beach front location and centrally located minutes from Puerto Galera's prime dives. In many travel guidebooks and magazines, Atlantis is described as one of the most outstanding resorts in the Philippines. Puerto Galera, one of the oldest Spanish settlements in the Philippines, was founded in 1574, becoming the first provincial capital in Mindoro Island. As early as the 10th century, Chinese, Malay and Indonesian merchants were already doing business with local traders, and Puerto Galera is where they replenished their provisions.

More recently, in 2005, Puerto Galera hit the international tourism limelight when it was given "The Most Beautiful Bay in the World" award by UNESCO. Only the third bay in Southeast Asia to receive this prestigious rating.

ATLANTIS PHILIPPINES DIVING ADVENTURE April 21ST - 30TH, 2017

LDC ECO/OCEAN FRIENDLY TRAVEL TIPS

As divers, we share a deep respect for our ocean planet and the diversity of life it supports. We also know what's at stake if we don't protect our environment. Divers can make a difference. Each time we travel, dive and immerse ourselves in new destinations, here's what we can do to help:

- **Leave Only Bubbles:** Minimize waste and pack your trash for home.
- **Take Only Pictures:** Leave shells, coral and other natural treasures in place.
- **Be Buoyant:** Avoid touching reefs and other natural areas with your body, dive gear, cameras and other underwater equipment.

- **Lighten Your Lodging Footprint:** Turn off lights, reduce air conditioning, reuse towels and conserve water.
- **Choose Sensible Seafood:** If seafood is on the menu, make sustainable choices.
- **Buyer Beware:** Learn the facts before buying souvenirs made from wildlife. (Note; All sea turtle products are illegal)
- **Support Marine Protected Areas:** Contribute via park fees, donations and volunteerism.
- **Set an Example:** Cleanup trash, never intentionally touch, feed or handle marine life, and set examples like these for others to follow.
